

## College Mentors for Kids EtC's 4th Annual Summer Bash

### Sponsorship Opportunities

College Mentors for Kids connects college students with the most to give to kids who need it most. Together with their mentors, kids participate in structured, weekly, after-school activities on a local college campus, exposing them to new opportunities which inspire them to create a vision for their futures.

College Mentors, EtC is a committee of dedicated professionals in the Indianapolis area that works to support and spread awareness of the College Mentors mission.

On June 6, 2018, EtC will host its fourth annual summer event benefitting College Mentors for Kids at TwoDEEP Brewing Co. Two sponsorship levels provide visibility and recognition before, during, and after the event. Sponsorship of this event may be tax-deductible and benefits the important work of College Mentors for Kids.
